

Dear Sponsor,

This year Premier Ostomy in conjunction with the Montreal Youth Ostomy Group will be heading a fundraising drive to help send some children in the Montreal area who have ostomies to a very special summer camp. This camp, will take place in Boulder, Colorado, U.S.A. from July 11 to the 16th.

These children will be able to meet and form friendships with other children from around the world who share their same medical challenges.

Please take a moment to remember how you felt when you first experienced having to deal with your own medical issues and think of what it would be like if you were only 12 or 14 years old and felt like you were the only person in the world in your situation.
